### Newsletter 12

Dear Parents and Carers,

Saturday 4<sup>th</sup> December 2021

Thank you to parents for their support through this week, linked to our re-introduction of face masks for parents and staff whilst on site. This decision was made following a review of Governmental and Local Authority guidance to help keep children, parents and staff safe at this time. These arrangements will continue up till the end of term in school.

A review will be completed during the Christmas holidays, drawn from Local Authority guidance, from review of rates of COVID in the Cherwell area and also from any Governmental updates we receive. Arrangements for the start of the Easter Term in school will then be emailed out early in the New Year. Thank you very much for all your continued support.

#### **Nut Free School**

We are a nut-free school. Thank you for your support with this.

Our Year 5 and 6 children thoroughly enjoyed their Victorian day at Holdenby House on Tuesday. The children learnt about all the roles that a servant would perform in a Victorian house and worked with many different artefacts during the day. The children's approach to the day was fantastic, with great confidence and knowledge shared and excellent support for each other demonstrated. I do hope that the children really enjoyed this day's experience.

On Wednesday afternoon, our Year 5 sports leaders worked very hard to teach hockey skills to the Year 2 children. Linking up together outside, the sports leaders organised a range of different activities for the children to enjoy. The children impressed me greatly, with their ability to lead and support the younger children. Across both classes, we do have some very talented hockey players in the making! If children do want to extend and develop their hockey skills outside school, please visit <https://www.banburyhockeyclub.co.uk/> who have a range of junior sections that children might enjoy.

On Friday, we were very pleased to welcome Mike Wakeford into school from the Canal and River Trust. Mr Wakeford, worked with Year 3 and 4 children, to help support their curriculum work about rivers. The children learnt about personal safety around canals and waterways, along with potential hazards. Each class then took a trip out of school to explore different features on the canal. During the day, the children also learnt about river courses, creating their own river in school! Please can I pass on my thanks to Mrs Allcroft and Mr Johnson for their support for the children during this day in school.

### Croprey Hedge Project – Saturday 11<sup>th</sup> December

The Woodland Trust have delivered 210 whips (about 30cm high) for Croprey's conservation/environment project. These whips will be planted to grow into a new hedge at the new cricket ground in Croprey.

If any families would like to help with the planting of this hedge, please visit Croprey Cricket Club on **Saturday 11th December at 10am**, meeting at the new sports pavilion - whatever the weather.

The organisers have asked that families who are going to help plant the whips take spades along with them to the Cricket Club.

## PTA Big Christmas Raffle

We are excited to join The Big PTA Christmas Raffle. After the last 18 months, we are determined to get our fundraising back on track and this is an opportunity to have some fun and raise money for our school.

For every ticket purchased, you will have 12 chances to win up to £5,000! At the same time, we will raise 50% from every ticket sold supporting our PTA.

It's a fantastic way to bring parents, carers, teachers and the wider community together, in partnership with our PTA, and at the same time give something back. We hope to raise funds that can support and enrich the education of our children – we aim to provide extra resources for the children, improve the school environment, as well as run extracurricular activities such as music, art and sport.

Your support is greatly appreciated and we wish you good luck!
