Newsletter 13

Saturday 11th December 2021

Dear Parents and Carers,

Please can I pass on my sincere thanks to all parents through the last week, with the increase we have seen in positive COVID cases in school. I will continue to monitor positive cases reported back to the school office and myself over the weekend, drawing on external advice as required. We will then email out on Monday morning an update for all parents, to help support all at this time.

Please can I ask that if there is any support we can put in place if children are not in school, please do contact the school and we will organise the necessary arrangements to help through the last week in term.

School Council Update

Our School Council met last week to review their vote to elect two chairpersons to help lead us together through the year. I am delighted to inform parents that Ella R and Ben T were selected to take on these roles. I really look forward to working with Ella and Ben as they help lead the School Council with me through this year.

The School Council are meeting again on Monday morning to discuss events and activities that they would like to organise through next term.
