Dear Parents and Carers,

Saturday 16th October 2021

I would like to pass on my sincere thanks to all parents/carers for the support you have shown us through this busy week in school. I also feel very proud of the staff and children for their efforts and positivity during our Ofsted inspection. The findings from the two days inspection in school are currently going through quality assurance. As soon as we are able to share the outcome from the inspection process this will be done with all members of the school community.

Term finishes on **Thursday 21st October**; please note that clubs will still run after school on this day.

Staff then have an INSET day on Friday 22nd October.

Next Week in School

During the day, the children will be making their own lunch for their 'trip to the moon' as well as making space shuttles and playing P.E. games on the moon when we arrive! This memorable day will be used by the children as inspiration for diary writing.
