**Newsletter 5**

Dear Parents and Carers,

Saturday 2<sup>nd</sup> October 2021

Through this week it has been lovely to see continuing hard work around the school. The children have worked really hard to embed our Golden Rules, showing very good attitudes to learning and great support for others.

The quality of work produced has been of a very good standard across the school; I have seen this in my visits to classes and it was also commented on by our English, Maths and Early Years Advisers who visited us in school this week.

The reports produced from these visits will help establish our Local Authority Programme of Support for the school for the year; further details of our core areas of focus will be circulated to parents in the very near future.

**After School Clubs**

It was lovely this week to see the number of children who have signed up for our after-school clubs programme; I do hope that the children enjoyed the first session of the clubs they took part in.

There are a few remaining spaces in each club. If this is of interest for your son/daughter, please contact the school office who will be able to provide the necessary information to support you.

**Harvest**

Thank you so much for the very kind donations of dried and tinned goods that were brought into school. These will be delivered to Banbury Foodbank early next week, to help support others around us. Thank you again for your support.

**School Meals for Next Week**

Please see below for menus for school dinners on Monday and Thursday next week. Year 6 children have decided upon the menu for Thursday 7<sup>th</sup> October; something which I hope they will really enjoy.

### AJ Bell Women's Cycling Tour

The cycling tour visits Banbury and surrounding areas on Monday next week. This might affect your journeys to and from school. Please see the end of the newsletter for an overview of road closures.

If this does cause any difficulty when collecting children at the end of the day, please contact the school office and we will organise for children to be supervised safely, until you are able to collect them.
