Dear Parents and Carers,

Saturday 4th September 2021

It was wonderful to see the children back in school last week. I hope that that they all enjoyed their first two days of school, with their friends and teachers, learning all about the routines and structure of each day in school.

Miss Jackson, Mrs Pounds and Miss Williams have really enjoyed visiting our new Cygnets children at home during this week, starting to build vital, constructive partnerships with all our new parents. As these home visits finish at the start of next week, we are all very excited then to be able to welcome our new Cygnets children into school in staggered form, to help establish secure the children's smooth transition into our school.

As we progress through the term in school, if there is any way that we can help support your child/children, please do not hesitate to contact the school office via email (see above) so that we can organise for your child's class teacher to contact you.

Please see below for some reminders to help support you at the start of the term in school.

Out of School Achievements

Many congratulations to go to:

Aidan S for being crowned the Under 10 Mallory Park Cycling Champion. In the series of races, Aidan won 7 out of 11 races he took part in and came in 2nd place in the other four races, clinching the title in the final round. This is a fantastic achievement Aidan; well done!

Marcus E for winning the Go-Karting Championship at Milton Keynes Racetrack. Marcus entered his 10th race in the series in first place and drove fantastically well to finish in 3rd position, giving him enough points to be crowned champion. Superb work Marcus; very well done!

I would like to wish all families a restful and enjoyable weekend.

Yours sincerely
Phil Goldsworthy
